

# International Autumn School on Health Law & Bioethics

## NEW TRENDS IN HEALTH SYSTEMS & PATIENTS' RIGHTS (4<sup>th</sup> edition)

The fourth edition of this specialized workshop provides an overview of different issues to enhance the preparation of participants. It is focused on both theoretical and practical aspects of health systems and health law exploring current legal and policy issues which impact on the rights and responsibilities of patients, health providers and policy makers.

The workshop is addressed to participants with different backgrounds such as healthcare practitioners, policy makers, health lawyers, nurses, and other interested people in health systems and patients' rights.

Seminar is free of charge for the workforce of the public health system of Cantabria and universities of the Cantabria International Campus (University of Cantabria and Universidad Internacional Menéndez Pelayo-UIMP-). Fee waivers can be granted on request of interested people.

Since the seminar will be developed in an interactive way, only a maximum number of 20 participants will be admitted to the workshop. Reading materials will be delivered and a certificate will be issued to participants. You can email to [asesoriajuridicasanidadss@cantabria.es](mailto:asesoriajuridicasanidadss@cantabria.es) for further information.

The seminar will be held in English at the Universidad Internacional Menéndez Pelayo (Campus Las Llamas) Avda. Los Castros s/n, Santander.
